

TTS 2024

In Person + Live Streaming

ISTANBUL TURKEY

September 22-25
+ Virtual October 21-23

Dear SIUT Member,

The 30th International Congress of The Transplantation Society (TTS 2024 - www.tts2024.org) is scheduled to take place in Istanbul, Turkey, from September 22-25, 2024. The meeting is being held in person; however, there is a virtual streaming option for those unable to travel.

We have planned an exciting Congress with renowned speakers, new session types, and ample time to network. You can preview the program here: <https://app.tts2024.org/virtual/programme/2024-09-22>.

One of the core Congress commitments was to make the meeting as affordable as possible for Early Career Members. As such, TTS 2024 is offering many awards, significant registration fee discounts for Trainees and Fellows, lower-cost hotel options, and a 15% discount for travel through Turkish Airlines (www.tts2024.org/travel/official-airline-turkish-airlines).

The Congress will also feature special rates for established SIUT Members and AHPs.

An important component of every Congress has been the abstract paper submissions for which the deadline to submit is set for March 18, 2024 (<https://www.tts2024.org/program/call-for-abstracts>). TTS will be sponsoring many awards for the Congress which require an abstract submission:

TTS Scientific Congress Awards - These awards are designed to help offset expenses incurred to attend the TTS Congress and are awarded based on the scientific merit of applicants (Details: www.tts2024.org/awards/tts-scientific-congress-awards).

Registration and Housing are now open:

- Registration Details: www.tts2024.org/registration/registration-information

SIUT Members may use the promotional code SIUT2024 when creating a profile to benefit from the Member rate to attend the congress.

- Housing Details: www.tts2024.org/accommodation

SIUT has enjoyed a long and successful history with TTS, and we hope as many SIUT members as possible submit an abstract and attend TTS 2024 either in person or virtually to enjoy this unique opportunity.

Of note, SIUT member may join TTS and receive the reduced membership fee by simply writing to membership@tts.org.

We look forward to seeing you in Istanbul!
